

The shortest Sponsored Walk in the world!

Are you, or someone you know,
brave enough to take on a

Firewalking Challenge

and raise money for Network?

*“They were great - the best thing I have
ever done and I did it twice!”*

That was the comment from one girl
who took on the challenge recently.

Firewalking includes walking barefoot across a bed of burning coals
without getting burned. Those who do it say it is a really exhilarating
experience. Why not take on the challenge with some friends?

We will be **firewalking** in May
at Wesley College, Henbury

Fully trained professionals from Blaze Firewalking will provide all the support needed.

Go on... We dare you!
